DISCUSSION QUESTIONS

1. What was your biggest takeaway from the mission conference?
2. If you spent time with any of our missionaries, what were some of the things that stood out to you about how God was moving in their ministries?
3. If you wouldn't consider yourself to be a believer and were here for the conference, what stood out to you about it?
4. What are some ways your group can pray for those people even now in your time together?
5. What does the point James made about God commissioning us multiple times in Scripture (not just in Matt. 28) do to your heart?
6. In what ways was God presented as a God who compels us towards action? What's the driving force there?
7. In what ways do you feel God compelling you to take the gospel forward?
8. Digging Deeper: James brought up Luke's version of the Great Commission. Here's a brief article that digs into that a little bit more. We feel like you'd be greatly benefited by reading it!
