## DISCUSSION QUESTIONS

1. When you think of heaven, what's the first thing that comes to mind?
2. What are some of the biggest misconceptions about heaven that you've encountered (how you get there, what it will be like, etc.)?
3. In what ways did today's sermon shape your thinking about what heaven actually is and will be like?
4. Did today's sermon bolster your hope for the life to come? If so, in what ways?
5. Have you interacted much with the concepts of the New Heavens and the New Earth before today? How do these realities from Rev 21 shape your view of what's to come? What's most exciting about that to you?
6. What role does Jesus play in our sermon text today as the Scriptures complete their journey "from garden to garden?"
